

LIGHT ON THE HORIZON

SAVE ENERGY AND BRIGHTEN YOUR BOTTOM LINE

Incentives are available from the Ameren Illinois Energy Efficiency Program to help you start saving money and achieve your strategic energy-savings goals. No matter the size of your business or the industry you serve, there are equipment incentives available to meet your business's energy efficiency needs.

Explore available incentives or request a FREE Energy Consultation, visit AmerenIllinoisSavings.com/Equipment or call **1.866.800.0747**.

PROGRAMS**

HEAT PUMP WATER HEATERS

Instant Incentives are now available for Heat Pump Water Heaters, which use 63% less energy than conventional water heaters.

Find a participating distributor to take advantage of Instant Incentives at

AmerenIllinoisSavings.com/Instant.

HEATING, COOLING, & VENTILATION

Instant Incentives are also available for Central Air Conditioners and Air Source Heat Pumps. Make sure to select a qualifying product that will have energy savings for the lifetime of the equipment, and also receive savings at the time of purchase.
