Wind power	8%
Other resources	1%
TOTAL	100%

Zero Emission Credits

Section 16-127 of the Public Utilities Act calls for a pie chart that graphically depicts the quantity of zero emission credits from zero emission facilities procured under Section 1-75 of the Illinois Power Agency Act as a percentage of the actual load of retail customers within its service area, after May 31, 2017. As of September 30, 2017, no zero emission credits have been procured.

Additional information on companies selling electrical power in Illinois may be found at the Illinois Commerce Commission's World Wide Web site (www.icc.illinois.gov).
