Re: 0190100008--Champaign County
Champaign/IP Town Gas
Site Remediation Program/Technical Reports

Dear Mr. Martin:

The Illinois Environmental Protection Agency ("Illinois EPA") reviewed the *Soil Data Review for The Replacement and Installation of New Monitoring Wells* ("Report"). The Report, received by the Illinois EPA on March 1, 2010 (Log No. 10-44054), was prepared by PSC Industrial Outsourcing, LP for Ameren. The Illinois EPA concurs there were no exceedances of Tier 1 remediation objectives or the polycyclic aromatic hydrocarbon background values in 35 Illinois Administrative Code Part 742.

If you have any questions, please feel free to contact me at above telephone number, address or e-mail me at Greg.Dunn@illinois.gov.

Sincerely,

Gregory W. Dunn, L.P.G., Manager
Voluntary Site Remediation Unit B
Remedial Project Management Section
Division of Remediation Management
