

Responsibilities of Members

- Members agree to adopt five miles of shoreline. Other mileage (lower or higher than five miles) must be approved by Ameren Missouri.
- Adopting groups are required to participate in the annual spring cleanup.
- Participation is recommended in a second cleanup sometime during the year.
- Members are responsible for delivering trash to a dumpster and assuring its proper disposal.
- Members are responsible for notifying Ameren Missouri before each cleanup.
- Upon completion of a cleanup, member **MUST** return to Ameren Missouri the "Adopt-the-Shoreline Cleanup Report."
- Minimum membership is two years.
- Members who do not fulfill their obligation to this agreement will be dropped from the program. Members who are dropped from the program, for any reason, may not reapply for a period of three years unless authorized by the Advisory Board and approved by Ameren Missouri.
- Workshop session attendance is recommended on a periodic basis.
- Members are responsible for placing any requested signage and for any sign maintenance required. Members must also obtain written permission from property owners before signage can be ordered.
- All applicants understand that no liability claims will arise as a result of this agreement, and the applicant will inform their members and volunteers that neither the applicant nor Union Electric Company (d/b/a Ameren Missouri) or Ameren Services will have any liability to them from their participation in this project.
